StrataCom's Upgrade Services to Service Manager 7.11

StrataCom is perfectly positioned to upgrade ServiceCenter and Service Desk clients to Service Manager. Having completed several upgrades in 2009, we have learned the gaps and can put together an accurate quote to successfully upgrade your environment.

Press Release: HP/StrataCom Success Story

Success Story for Carlson Wagonlit Travel

StrataCom has been a long revered Hewlett Packard ITSM partner providing exceptional results on a variety of ITSM projects. HP recently authored a success story highlighting one of StrataCom's recent successful Service Manager 7 implementations.

You can view and download a copy of this success story [here](#)

"We went through an extensive evaluation to find a vendor who could understand the legacy system we had in place, and who had the expertise we needed in Service Manager. We found the StrataCom engineers to be very knowledgeable and responsive."

~Laura Dale, Team Lead, Carlson Wagonlit Travel Service Management

About StrataCom

StrataCom began in 1997 by three enthusiastic consultants, Eric Krueger, Steve Jones, and Bill Rentfrow. After several years of consulting in the corporate world, they knew without a doubt that they had gathered enough exposure and experience to begin a company that knew how to do things not only right, but GREAT.

Eleven years later, our team pride ourselves on the fact that our clients can count on StrataCom to recognize the individuality of their business processes. We work diligently to maximize the return on your Service Management investments.

If you are considering any of the following initiatives related to Service Manager, ServiceCenter or Asset-Center, we would be thrilled if you would consider us!

- Implementation
- Customization
- Data Migration
- Integration
- Upgrade
- Business Process Consulting
